

## THINSCAPE™ PERFORMANCE TOPS

*Available in 12 stunning designs, THINSCAPE™ Performance Tops feature on-trend European-inspired "thin" profiles.*

**Distressed Pine** – A wood design with various sized planks. A cool color with elements of warm honey, sophisticated greys, and shades of taupe. This design has a Wire Brushed finish. Wire brushing creates a linear texture with both matte and gloss sheens.

**Quartzite Falls** – This linear quartzite design features thin caramel and taupe veining, offset by natural highlights. This design is paired with a Luster finish; a semi-gloss sheen and a smooth surface.

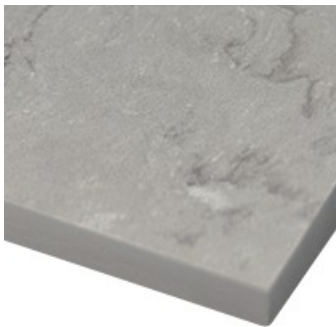

**Spanish Limestone** – An off-white limestone look with linear directional features in subtle warm and cool neutrals in a Sandblasted finish. The sandblasting method creates a soft, lightly textured, ultra-matte surface.

**Soapstone Mist** – A large-scale, smooth veined grey soapstone abounding in rich detail and natural features in a Luster finish.

**Sterling Calcutta** – A large-scale veined Calcutta design with soft grey features and a Luster finish.

**Quartz Rapids** – A directional quartz structure with a light grey background, warm grey veining and minute quartz particulates. This design has a Sandblasted finish.

**Taj Mahal** – Quartzite fractures and infinite depth join to form an elegant Taj Mahal stone design in calming neutral with a Sandblasted finish.

**Rugged Steel** – Rugged Steel has the aged and distressed look with all the character and style found in raw metal. This design has a Natural finish; fine texture and a low sheen.

**Black Amani** – This Black marble design has thin, subtle veins that provide depth and variation throughout the design in a Luster finish.

**Calcutta Blanc** – A classic, large-scale Italian marble, this pattern has grey and taupe vein structures that are large-scale and angular and comprise the signature feature of this marble in a Luster finish.

**Italian Carrara** – A classic Carrara white marble with grey veining in a Luster finish.

**Volakas Marble** – Quarried in the Volakas region of Greece, this white marble has chunky grey veining and delicate details in a Luster finish.
